## Rabbit

Those born under this sign are affectionate, talented, obliging, always pleasant, valuing security and tranquility. They have a tendency to get too sentimental and superficial and to avoid conflict and emotional involvement. Being cautious and conservative, they usually take no risk and are successful in business but would also make a good lawyer, diplomat, or actor. Their best life partners are Sheep or Pigs instead of Roosters.

1951, 1965, 1975, 1987, 1999, 2011

## Rooster

Roosters are courageous, hardworking, shrewd, arrogant, reckless, selfish and eccentric. They are thirsty for knowledge, devoted to work and definite in decision-making. They are skilled at what they do and attentive to details. However, they tend to seem boastful to others. Roosters will be happy as a restaurant owner, publicist, soldier or world traveller. The sign promises harmony with Snakes and Ox and trouble with Rabbits.

1957, 1969, 1981, 1993, 2005, 2017

## Dragon

Those born under the sign are considered intelligent, gifted, bossy, loud, garish, and unfaithful, but also popular and successful, full of vitality and enthusiasm. They usually look stubborn on outside, softhearted inside though. They are born to be an artist, priest, politician, or leader. A dragon will be compatible with a Snake or Rooster. However, a sheep will not be a good choice.

1952, 1964, 1976, 1988, 2000, 2012

## Dog

Those born under this sign are honest, quiet, intelligent, generous, stubborn, loyal and faithful to those they love. They are introverted listeners, dedicated but also cynical and prone to letting their external anxieties get the better of them. Constant worry, a sharp tongue, and a tendency to be a faultfinder will always plague them. However, they are born to be successful. Dogs will be excellent businessmen, activists, teachers, or secret agents. Tigers and Horses are deemed as best matches and Dragons need to be handled with care.

1958, 1970, 1982, 1994, 2006, 2018

## Snake

Those born under this sign are usually considered clever, passionate, determined, romantic, intense, and rich in wisdom and charm, but vain. Women born under Snake are often beautiful. Snakes will be strongly guided by their intuition. They certainly will win a lot of money, but have to avoid procrastination and stingy attitudes towards money. The Snake would be most content as a teacher, philosopher, writer, psychiatrist, and fortune teller. Marriage with a Rooster or Ox not a Pig will be best.

1953, 1965, 1977, 1989, 2001, 2013

## Pig

Pigs are honest, reliable, sincere, tolerant, shy, affectionate, kind, impulsive and short tempered. They are splendid companions, intellectuals with a very strong need to set difficult goals and carry them out. Their unquenchable thirst for knowledge will facilitate their success whereas their quest for material comfort will frustrate it. Pigs also will sacrifice their lives for good causes. The Pig will be successful in financial affairs, or as an entertainer, or possibly a lawyer. Pigs are compatible with Sheep and Rabbits.

1959, 1971, 1983, 1995, 2007, 2019

## Horse

The Horse are popular. They are cheerful, skillful with money, and perceptive, although they sometimes talk too much. They are wise, talented, good with their hands, and sometimes have a weakness for members of the opposite sex. They are impatient and hot-blooded about everything except their daily work. They like entertainment and large crowds. They are very independent and rarely listen to advice. They are most compatible with Tigers, Dogs, and Sheep.

1954, 1966, 1978, 1990, 2002, 2014

## Rat

The Rat are noted for their charm and attraction for the opposite sex. They work hard to achieve their goals, acquire possessions, and are likely to be perfectionists. They are basically thrifty with money. Rat people are easily angered and love to gossip. Their ambitions are big, and they are usually very successful. They are most compatible with people born in the years of the Dragon, Monkey, and Ox.

1960, 1972, 1984, 1996, 2008, 2020

## Goat

The sign suggests creative, artistic, passionate, elegant, warmhearted, honest, charming but pessimistic, timid, disorganised and vulnerable. Too much dependent on material comforts, they are easy to complain and do not respond well to pressure, but will find their own natural solution to a problem when given space. Best occupation for a Sheep is an actor, gardener, or beachcomber. They are compatible with Rabbits or Pigs in marriage, but no Ox.

1955, 1967, 1979, 1991, 2003, 2015

## Ox

The Ox are patient, speak little, and inspire confidence in others. They tend, however, to be eccentric, and bigoted, and they anger easily. They have fierce tempers and although they speak little, when they do they are quite eloquent. Ox people are mentally and physically alert. Generally easy-going, they can be remarkably stubborn, and they hate to fail or be opposed. They are most compatible with Snake, Rooster, and Rat people.

1949, 1961, 1973, 1985, 1997, 2009, 2021

## Monkey

Monkeys are intelligent, inventive, clever, entertaining but also dangerous and easily discouraged. Because of their extraordinary nature and magnetic personality, they are always well liked and make close friends, however, they can't be trusted. They shall guard against being an opportunist and distrustful of other people. The sign suggests success in any field they try. The best matches are Dragons or Rats while the worst are Tigers.

1956, 1968, 1980, 1992, 2004, 2016

## Tiger

As the fighting animal, those born under tiger's sign are sensitive, aggressive, unpredictable, charming, emotional, courageous and capable of great love. Despite often risking themselves, they have a carefree life. Tigers usually will be outstanding as a boss, explorer, race car driver, or madlad. A happy marriage will occur with a Horse or a Dog but never a Monkey.
